12 JUL 1982

The Honorable Joseph P. Addabbo
Chairman, Subcommittee on Defense
Committee on Appropriations
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

In accordance with our understandings with the Congress, this letter requests your concurrence on the reprogramming of [redacted] to meet the 1982 costs of the Interim Overseas Pay Differential. We had originally requested funds for this purpose in our 1982 program supplemental. Our four committees have agreed, however, that the [redacted] requested for this purpose be placed in the Reserve for Contingencies and that the funding requested be met from within existing funds. It is proposed that [redacted] of 1982 funds from the [redacted] and [redacted] from the amount originally budgeted for the [redacted] program be made available for this purpose. In the case of the [redacted] the Committee has been informed of the change which resulted in our no longer requiring the requested 1983 amount; the amount under consideration here is the 1982 amount already appropriated. The [redacted] represents funds earlier proposed for application to a domestic training site (part of a [redacted] proposed reprogramming requested in Mr. McMahon's 30 March 1982 letter to your committee), but which the Congress denied without prejudice. [redacted]

I would appreciate your early consideration and approval of this request. (U)

Sincerely,

Executive Director
